Samoaja is a four-piece-band hailing from Finland.
The band’s musical style mixes broad nordic soundscapes to haunting melodies, modern folk and pop, creating an unique style the band describes as Landscape-pop.

The band has performed over 180 shows in 15 countries. In addition to that, their debut album "Landscapes" has reached 150,000 streams in Spotify alone.

In march 2020 the band will release their second album ”Abyss”.
